Who We Are

The Princess Anne High School Crew Club, a 501(c)3, was established in 2006 and is now in its 12th full year of rowing.

Originally founded by two high school students, our team is a diverse community of hardworking, diligent, and dedicated group of 30+ student athletes.

Our team practices year-round and participates in fall and spring regattas.

During the fall regattas, "head" races test rowers' endurance on courses spanning between 2-3 miles in length. Spring regatta races differ primarily in length (approximately 1500 meters), require speed combined with precision stroke technique, and as such are called "sprint" races.

Our team is 100% self-funded and is entirely supported by the immense dedication of volunteer coaches, parents, and sponsors. Without them, our team would not exist and be as successful as it is. PACC is a 501(c)3 tax deductible charity.

PACC needs partner sponsors like YOU!
